Guam Benefactors Respond To Needs of Postulant House

The Vice Province began renting a house two doors down from Saint Francis Church in Yoña, where our brother Jose Villagomez ministers as pastor, to house our four postulants and their director, Andre Eduvala.

The program starts in August but Eric Forbes started getting the house furnished. E-mails were sent to over a thousand benefactors asking for donated furniture and within a day the offers from our generous benefactors began pouring in: dining tables, sofas, beds, house wares and the like.

Incoming postulants Gavin Diego, Joseph Ogo, candidate Sean Rodriguez, and Gavin's brother Terence were invaluable, spending much of their time assisting Eric Forbes in picking up donated furniture and delivering the donations to the Yoña house. [Photos right]

Nathaniel was also accepted into Holy Names University in Oakland, CA. He transferred 38 credits with a 3.5 GPA from Berkeley City College to HNU. He qualified for a \$9000 scholarship. Congratulations Nate! [Photo right]
